## Technical information

### Testing and Operating Pressures

Vaporo Compact Range has been independently tested to ensure these radiators perform to a maximum working pressure of 10 bar.

### Connections

Vaporo Compact has 4 x 1/2" BSP connections as standard.

### Paint Process

Two coat paint process, each Vaporo radiator is subjected to a multi-stage cleaning and paint process.

The final powder coat is Traffic white (RAL A9016) which is stoved and cooled to give a perfect finish. All radiators are illustrated in Traffic white unless stated.

### Water Treatment

Installation of the system should be properly flushed and fitted in accordance with the British Code of Practice for the Treatment of Water in Domestic Hot Water Central Heating Systems.

### Warranty

Vaporo Compact Range comes with a 10 year manufacturer's warranty.
